Pastors' Greeting

Bridge of Hope and Life Ministries, an affiliate of the Church of Canada, is a house of service. It is to God's glory that we submit ourselves to serve. We are happy that God has allowed us to be a part of your lives, and we greatly appreciate your faithfulness and commitment.

We thank God for the progress we have made as a church. We welcome Pastor Nyron Johnson as our Associate Pastor. The Holy Spirit continues to guide and direct our spiritual growth and cater to our physical and emotional needs.

Our commitment to you and the community remains steady,

providing a bridge of hope and life to those in need.

We embrace the mandate to reach the lost at any cost. So we have committed to outreach and missions for those in need.

Thank you for your support.

Let us know how you can impact and how you will be willing to serve.

Pastor Valda Keldo-McDonald

Barrels Crossing Borders

This past summer 2022, BHLM Outreach committee was able to send a barrel of back-to-school supplies to Water Brook Ministry in Jamaica. The barrel contained approximately 60 backpacks, approximately 25 lunch bags, notebooks, pens, pencils, geometry sets, highlighters, sharpie markers, sharpeners, and other school supplies.

Bishop Hadden sent us pictures of the back to school treat that was held by the

church and shared his gratitude and appreciation for our gesture and thanked us for satisfying the need of the community.

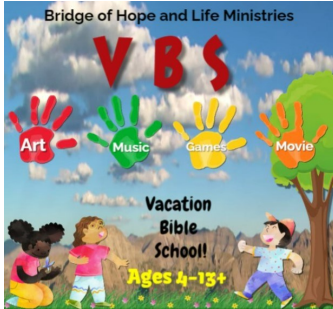

We thank everyone who donated cash or supplies to help to make this a success and ask for your continued support as we aim to send support to other churches in Jamaica with which we are affiliated.

Kidz of the Kingdom

BHLM VBS

It is a privilege to be a part of BHLM ministries.

KIDZ OF THE KINGDOM has been a wonderful program that serves children from age 4 to 6. The program is structured to capture the enthusiasm of the children as they learn about how Jesus Christ of Nazareth. We engage them in remembering memory verses and we teach them to get an understanding the importance of having Jesus in their life.

The group is constantly growing. We currently have between 8 to 10 kids who come

regularly to class, and we are looking to expand; there is always room for one more. We encourage parents to tell a friend, tell a neighbor about this wonderful program and get their children involved, because when kids come to understand the meaning, the love, the joy of Jesus Christ they will surely grow up to be better human beings.

Our first VBS (Vacation Bible School) was introduced last August. It was a week of delight for the children. Teachers and students engaged in a

fabulous time of dancing, singing, and learning.

One new student joined and he was so excited he kept saying “I love this program!” Our aim is to continue to really get the children involved so that they can understand the importance of having Jesus Christ in their lives

GOD’ZQUAD

GOD’ZQUAD is an awesome program. The meeting is on Saturdays from 11:00 am with children ages 7-13+, and the young at heart. It’s a time of fun, learning and inspiration. Our teacher mentors provide engaging and interactive lessons that are based on religious/spiritual teaching according to the Word of God.

The lessons are delivered through videos, games, and discussions which engage students’ interest. We explore the practicality and relevance of the Scriptures in our lives and teach them how to live daily as followers of Christ.

The Lord has truly been blessing us through many answered prayers. He continues to go before us and have been answering and performing miracles in our lives. The Bible says, ‘Men ought always to pray and not to faint’, so this is a mandate that we are adhering to in BHLM.

We are totally committed to this command and so we gather on Tuesdays to Thursdays at noon each day and we have started since January, to combine a Bible Studies and Prayer Meeting. This is held every Tuesday Night @ 7:15pm, Bible Study with Pastor Nyron Johnson, and our prayer meeting immediately following with

Minister Charmaine McKnight facilitating.

Come and join us for a powerful Bible Study and prayer.

Community Outreach—Youth

Our church community outreach program renders a helping hand to those in the community who are in need. We endeavour to feed the body, soul and spirit, and provide encouragement to those that are discouraged. We actively look for accommodations with our partners in the ministry and in the community for those that are in need.

Our youths are important to us as they are the future leaders of our community and nation. We provide spiritual education and mentorship for our youths education and mentorship for our youths

encouraging them through their daily lives. We set aside the last Sunday of every month specifically for them. We have provided a youth pastor to minister to the youths on this day.

One great engagement our youths led in 2022 was to provide a meal for Thanks Giving for youths in a homeless shelter in Brampton. The food was donated by **Gem’s Jerk, Fiona’s Cuisine, Potter’s Hands creatives, and Don’s Caribbean.** Our youths got together to put the food into

boxes and then deliver it to the youths in the shelter. We pray for God’s continued blessings on these businesses.

We thank the Lord for His provision and pray that the blessings of the Lord continue to minister to our youths and the youths in our community and that the love of Christ be seen as we continue to reach out with His love.

FOR I WAS HUNGRY AND YOU FED ME; I WAS THIRSTY AND YOU GAVE ME DRINK. I WAS A STRANGER AND YOU WELCOMED ME; NAKED AND YOU CLOTHED ME... MATTHEW 25: 35-36

Scholarship/Mission Fund

BHLM scholarship fund is to meet the needs of our community at home and abroad, to provide sponsorship and financial support for tuition and essentials required for schooling.

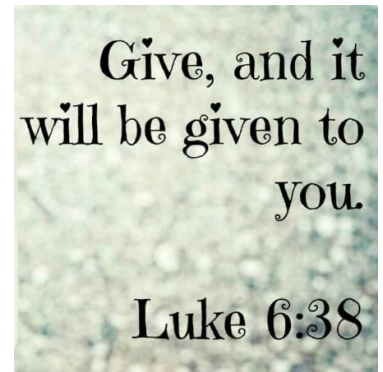

Our hearts were touched as we heard of the great needs of the

children/youths going to back to school. We got report of financial needs for food, lack of proper attire, and tuition.

Praise God, we were able to offer a scholarship to a student in Jamaica. We were quite blessed by the many who gave

donations to provide financial supports.

We continue to seek financial donations so we can sponsor other students.
